

**ST NICS
GAP YEAR**

ST NICS GAP YEAR

Gap years can be a real opportunity to grow: many use them to enhance their CV, travel the world, learn new skills, earn some money, or even grow up before heading to university. God speaks of another kind of growth – growing in maturity in Christ. That's what we'd love to offer you on the St Nics Gap Year -

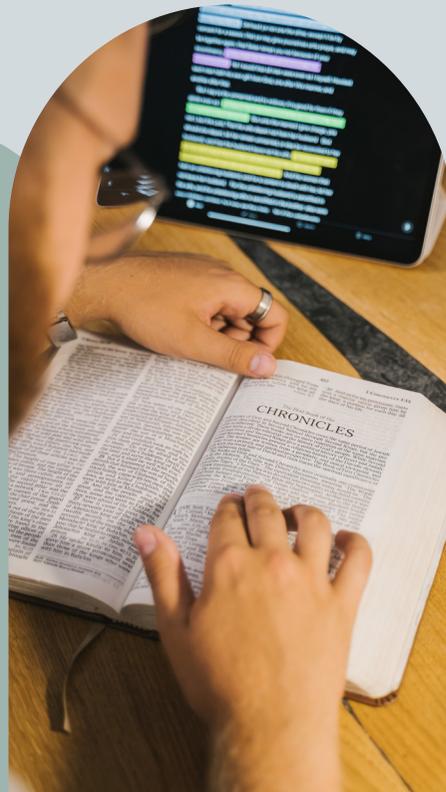

an opportunity to grow.

Who?

For those who have finished year 13/upper sixth before heading to university (or whatever else is next).

What?

Join us as a volunteer 5 days a week (Sunday-Thursday) for 10 months (Sept-June) focused on your discipleship/ growth. We will pray with you that you will grow in both your knowledge of Jesus and your likeness to Him.

The year will involve practical service (setups, cleaning, gardening), ministerial service in kids/youth teams as well as formal training.

You will have bespoke Bible studies with other St Nic's Gap year-ers; structured Bible reading programme; time set aside to pray and read and discuss Christian books.

As well as internal training, hopefully there will be the possibility of joining the Kent Gospel Partnership (KGP) Ministry Training Course.

On a Sunday you will be rooted in one of our morning congregations serving there most weeks and encouraged also to come to the evening congregation.

We would also hope to organise a trip to visit one of our international mission partners for roughly six weeks as part of the year too.

Cost?

We will fund the cost of the KGP training course, associated travel and a small book allowance. We would expect you either to live at home or self-fund accommodation (if we can find something suitable).

The mission trip will also be self-funded with the exact amount to be confirmed. One idea we have is to see if your morning congregation could sponsor you to go.

What next?

For more information and an informal chat please feel free to contact Matt Taylor who coordinates the scheme.
