

Men's Lunch - Friday

2 October: “Jesus and Justice: A Judge's View” - Judge Alan Johns

Our speaker for this lunch is His Honour Judge Johns KC. Alan worked as a barrister for 22 years. He specialized in property litigation, was made a KC, and now sits as a Judge hearing Business & Property Cases at the Royal Courts of Justice in London. A former sceptic, it was in his early days at the Bar that he came to believe in Jesus.

6 November: “A Second Opinion ” - Terry Boxall

Terry became a Christian in his teens in World War II, through the ministry of Bromley Crusaders led by Dr Colenan, This also influenced Terry's decision to become a doctor. He qualified in 1955, having been a medical student at Barts. He felt drawn to study further to become a surgeon. Terry is a Fellow of the Royal College of Surgeons and was known as a General Surgeon, with particular focus on abdominal complaints. Terry met Brenda, a student nurse at Barts. He was delighted to see she was a Christian. They married in 1956 and were privileged to raise a family of four. Since they now lived in Sevenoaks, the children joined the young people's groups at St Nicholas. Terry has in the past been a church warden, PCC member and Lay Reader.

4 December: “Deja vu” - Chris Jervis

After a degree in Sports Science and Mathematics from Loughborough, Chris Jervis taught and coached sports and physical education. Marriage to Carolyn followed and eventually three daughters completed that phase of our family. Theology at ANCC, Cambridge and Oxford, led on to Chris being ordained as an Anglican clergyman. In this capacity he has served in parishes in London and Jersey and Dorset. However, most of his working life has been as a Senior School Chaplain, Head of Philosophy and Theology and a Senior Sports Coach. In ‘retirement’ Chris exercises Christian ministry in the UK and Switzerland.
